RULES & REGULATIONS

Please read these rules and regulations. This section contains information you must know and agree to.

1. EXPOSITION SPONSORSHIP & MANAGEMENT:

The Midwest Propane Gas Convention and Trade Show is produced by and is the property of Midwest Propane Gas Association (MPGA). The MPGA will provide show management and attendance promotion.

No exhibits, displays or demonstrations will be permitted in hotel meeting rooms, suites, guest sleeping rooms, or other locations outside the designated exhibit area. Violation of this policy may result in sanctions at future MPGA trade shows. Such sanctions could include forfeiture or restriction of future participation privileges.

2. CONTRACT FOR EXHIBIT SPACE:

The order for booths, assignment of space, and/or the full payment of rental charge, constitutes a contract or rental of the space assigned. An exhibitor failing to occupy space is not relieved of the obligation to pay the full rental price. Exhibitors must agree to furnish their exhibits so as not to obstruct the view of other exhibits. No partition other than the 36 inches high side dividers provided by MPGA will be permitted unless specifically approved. Uniform booth signs bearing the name of the exhibitor will be provided by MPGA at no extra cost, or exhibitors may use their own sign if desired. No signs of any kind may be displayed at a height greater than 8 feet from the floor to the top of the sign unless an island or peninsula is rented. Standard booth back and side rails will be provided without charge. Booth back drapes are 8 feet in height and side divider rails are 36 inches in height. Width of special back drapes must be 2 inches less than back drape and may be 8 feet high only to half the depth of the booth. **Any exhibits exceeding the maximum height and width indicated above will have to conform to the required size or pay for the exhibit spaces surrounding them.** Carpet for each 10' x 10' exhibit booth will be furnished by the MPGA.

VEHICLES: Space contracted must accommodate exhibitor tables and chairs in addition to display vehicle. Only vehicles may be displayed in these spaces. If aisle space is encroached, exhibitor will be required to tear down the encroachment.

3. ASSIGNMENT OF SPACE:

Allocations of available space will be made first-come, first-served, based on size of space. MPGA reserves the right to make final space assignment or change the space assignment after the acceptance of the application should it be in the best interest of the show. All booths are clearly shown on the floor plan. Dimensions are believed to be accurate but only warranted to be approximate. The price of space includes booths of appropriate construction, uniform signs for each booth and adequate illumination of space. Exhibitors having booths of their own construction may use them if they conform to the size and height limitations indicated. All efforts will be made to honor separation from other companies indicated on agreement, but separation is not guaranteed. "Separation" is determined as not being directly beside or across from a competitor.

4. PAYMENT OF SPACE:

Contracts must be accompanied by the full payment made payable to Midwest Propane Gas Association. Exhibitors failing to make the payment for their exhibit space will not be allowed to have space held for them. In order to receive last year's price for Full Recognition Packages and for Exhibit space, full payment must be received by the Midwest Propane Gas Convention on or before October 1, 2009. All agreements and payments received after October 1, 2009 will be charged the 2010 rates.

5. CANCELLATION OR WITHDRAWAL:

Upon giving written notice, an Exhibitor may cancel or withdraw from the MPGA prior to November 13, 2009, however, no refund will be given unless all booth space has been sold; then 50 (fifty) percent of the deposit will be returned approximately 30 (thirty) days after the show closes. After November 13, 2009, no refund will be given. Total payment for reserved exhibit space will be due for cancellations made after November 13, 2009. The date upon which the notice of cancellation is received will apply as the official date of cancellation. MPGA has the right to resell the space vacated upon notification of cancellation.

6. OCCUPANCY OF SPACE:

7. TERMINATION OF EXHIBIT:

If the premises, where the MPGA is hosted, are destroyed or damaged, or the MPGA fails to take place as scheduled, or is relocated or interrupted or discontinued, or access to the premises is prevented or interfered with by reason of any strike, lockout, injunction, act of war, act of God, or emergency declared by any government agency, or for any other reason, this contract may be terminated by the Midwest Propane Gas Association. In the event of such termination, the Exhibitor waives any and all damages and claims for damages and agrees that the sole liability of Midwest Propane Gas Association will be to return the Exhibitor's rental payment.

Exhibitor agrees not to assign or sublet the whole or any portion of the rented space covered by this contract. No two companies of different ownership can share a single booth.

Each exhibitor agrees to abide by the foregoing rules and regulations and by any amendments or additions there to that may hereafter be established or put into effect by the MPGA. These rules are subject to revision by the MPGA and all points not covered are subject to its decision.
